

Teranet Appoints New Vice President, Business Development

TORONTO, ON – July 28, 2009 – Teranet Inc. announces that Lawrence Franco will be joining the organization as Vice President, Business Development on July 30, 2009. Mr. Franco is coming to Teranet from Dun & Bradstreet Ltd. where he enjoyed a 24 year career, most recently as President Dun & Bradstreet Canada and Latin America.

"I am delighted to be able to introduce Lawrence Franco as the newest member of Teranet's team. He is an accomplished senior executive with extensive experience in an industry-leading global service organization," said Jay A. Forbes, Teranet's President & CEO. "He has established an enviable track record of success through his customer-centric approach and commitment to operational excellence, and will add greatly to the strength of our leadership team."

About Teranet

Teranet offers e-services to the legal, real estate, government, financial and healthcare markets. Teranet provides exclusive access to Ontario's Electronic Land Registration System, enabling customers to conduct electronic registrations as well as title and writ searches relating to real property. Teranet has also leveraged its core competencies to create electronic service offerings in complementary areas. Teranet's comprehensive products and services include property information, transaction management, collateral risk management, geospatial information, workflow software and enterprise solutions.
